***Dear Colonel Harald GELL,
Chair of the Implementation Group of the European Initiative for
Exchange of Young Military Officers***

Nomination of the Chairperson of the Line of Development 7 – Financing the Initiative (LoD 7)

Allow me to take this opportunity to express my deepest feelings of appreciation for the dedication and considerable efforts you have invested in strengthening the international community of European military academies and in facilitating the exchange of cadets and staff among the military academies across Europe.

Being aware that the Implementation Group of the European Initiative for the Exchange of Young Military Officers inspired by Erasmus+ is in search of a Chairperson for the *Line of Development 7 – Financing the Initiative*, I would like to support the candidature of Ms. Ramona-Elena HERMAN from “Nicolae Bălcescu” Land Forces Academy of Sibiu for this position.

Ms. Herman has been the Erasmus+ institutional coordinator of “Nicolae Bălcescu” Land Forces Academy of Sibiu, taking responsibility of writing mobility projects and managing administrative aspects of several international activities (including the financial coordination of different Erasmus+ projects). She has also been an active member of the EMILYO Program since 2018, being fully committed to the work and goals of the Implementation Group. She is organized and focused on continuously learning and developing best practices to manage routine activities both efficiently and effectively.

I am confident that Ms. Ramona Herman is the proper candidate to assume the task of leading LoD 7, contributing to the overall efforts and objectives of the Implementation Group.

Expressing my gratitude once again and I wish you wholeheartedly every success in your demanding duties.

Sincerely,

Brigadier General Prof.Eng. Ghiță BÂRSAN, PhD

Commandant (Rector) of “Nicolae Bălcescu” Land Forces Academy of Sibiu
