

“Research & Development”

LoD – 14

15th Meeting 19.11.24 - Shumen

Key meeting points

- Merging of LoD 14 with LoD 9
- Restate the focus area of LoD 14
- Next Steps – Way forward

The LoD has the following focus area:

- #1 Organize research teams with transnational participants.
Under the scheme of common theses
Providing support for research activities
- #2 Publishing scientific texts.
- #3 Advertise scientific work (through conference, posters etc).
Discuss dissemination actions for existing projects
Provide support for conferences

Next Steps – Way forward

- The LoD will run during each IG meeting and a new LoD Chair will be assigned along with my support.
- Discussion on the progress of a technical conference between military academies to be organized next year in Tunisia
- A K2 initiative regarding the cooperation model for networking between European Military Higher Education Institutes, along with training for research.
