Dear Colonel,

Nomination of the Chairperson of the Line of Development 1 on System of Equivalences (LoD-1)

First and foremost, please accept my sincere appreciation for your dedication and the considerable efforts you have invested in enhancing the exchange of cadets and staff among the military academies across Europe. Your commitment has greatly strengthened our international community and fostered invaluable opportunities for collaboration.

In this regard, I would like to nominate Lieutenant Colonel (OF-4) Tom SIMOENS, Head of the Department of Conflict Studies and Professor of History at the Royal Military Academy (RMA) in Brussels, for the position of Chairperson of LoD-1 on the System of Equivalences. Since joining the Academy in 2006, LTC SIMOENS has distinguished himself as an esteemed member of our faculty of Social and Military Sciences (SSMW). Notably, since 2019, he has been an active participant in our in-house Commission on Education and Pedagogy. In this role, he co-authored a comprehensive study in 2021 analyzing the academic workload (in study hours) of our cadets, a contribution that will undoubtedly support him in fulfilling the responsibilities of the LoD-1 Chairperson.

Lastly, please rest assured that the Royal Military Academy will fully support the necessary financial provisions to facilitate LTC SIMOENS participation in IG meetings.

Sincerely,

An-Roos DE POTTER, Msc Eng

Proposal for Chair LoD-3 (Development of e-learning)

Lt COELHO Vasco

PT-PTAFA

Col. Assoc. Prof. Harald GELL
Chairman of the Implementation Group

Nomination for Chairman of Line of Development 3 (LoD-3)

Dear Colonel Harald Gell,

On behalf of the Chief of Staff of the Portuguese Air Force, I hereby present a candidate for the vacant position of Chairman for the Line of Development 3 (LoD-3), dedicated to the Development of IDL (InterDisciplinary Learning).

Our candidate for this position is Lt Vasco Coelho who is a researcher at the Portuguese Air Force Academy Research Center, focusing his research topics on Aircraft Design, Hybrid Propulsion and Aerostructural Optimization. He is also a lecturer for the Propulsion Systems and Flight Stability courses. Since 2023, Lt. Vasco Coelho has been working on our International Office, coordinating the organization of the International Air Force Semester, and representing our institution at the EMILYO IG Meetings.

I am confident that Mr. Vasco Coelho is a proper candidate to assume the task of leading the LoD-3. His vision of enhancing current teaching methods by incorporating recent technological developments are well aligned with the position he is currently applying. His participation on the four annual IG meeting can be financially assured by our institution as these events are considered assigned missions, approved by the Chief of Staff of the Portuguese Air Force.

Sincerely,

Commander of the Portuguese Air Force Academy

TRADUCTION DE COURTOISIE

Dear Members of the Implementation Group (IG),

Aware that the Implementation Group for the European initiative for the exchange of young officers inspired by Erasmus (EMILYO) is in search of a Chairperson for the Line of Development (LoD)-5 « Framework », it is an honour to support the candidature of Associate Professor Fiona Simoneau-Byrne of the French Naval Academy – Ecole Navale.

Associate Professor Fiona Simoneau-Byrne has been a fully active member of the French Naval Academic staff since 2005 and was Head of the Languages Department for ten years. She has since taken on a number of responsibilities in the field of International Relations, including the Semester Exchange Programme amongst cadets of partner naval academies alongside the lectures and classes she conducts.

The French Naval Academy has been represented by Ms Simoneau-Byrne at EMILYO IG meetings for two years now. We believe she is the right person to take on Chair of LoD-5 which will further enhance our presence in EMILYO and continue the development of the training of our future European military leaders.

Yours sincerely,

Being aware that the Implementation Group of the European Initiative for the Exchange of Young Military Officers inspired by Erasmus+ is in search of a Chairperson for the *Line of Development 7 – Financing the Initiative*, I would like to support the candidature of Ms. Ramona-Elena HERMAN from "Nicolae Bălcescu" Land Forces Academy of Sibiu for this position.

Ms. Herman has been the Erasmus+ institutional coordinator of "Nicolae Bălcescu" Land Forces Academy of Sibiu, taking responsibility of writing mobility projects and managing administrative aspects of several international activities (including the financial coordination of different Erasmus+ projects). She has also been an active member of the EMILYO Program since 2018, being fully committed to the work and goals of the Implementation Group. She is organized and focused on continuously learning and developing best practices to manage routine activities both efficiently and effectively.

I am confident that Ms. Ramona Herman is the proper candidate to assume the task of leading LoD 7, contributing to the overall efforts and objectives of the Implementation Group.

Expressing my gratitude once again and I wish you wholeheartedly every success in your demanding duties.

Sincerely,
Brigadier General Prof. Eng. Ghiță BĂRSAN, PhD
Commandant (Rector) of "Nicolae Bălcescu" Land Forces Academy of Sibiu

Colonel Harald GELL, Assoc. Prof.
The Chairman of the Implementation Group

LETTER OF NOMINATION

for the chairperson of the Line of Development 9 – Future Projects “in the framework of the Implementation Group of the European Initiative for the Exchange of Young Officers inspired by Erasmus+”

Dear Chairman of the Implementation Group (IG),

At first, let me express my appreciation of the activities and the work of the European Initiative for the Exchange of Young Officers (EMILYO). The EMILYO initiative is an extremely valuable platform for exchanging ideas and creating projects for the benefit of cadets from military universities. The contribution and commitment of academic teachers and personnel render this plausible.

Thus, I have a great pleasure to nominate a candidate from the Military University of Technology (WAT) for the vacant position of Chair for LoD 9 Future Projects. Our candidate is Agata Jagiello-Tondera, PhD, Coordinator for International Relations at the Foreign Languages Centre, who has been working at the Military University of Technology since 2000. She is an academic teacher of English and Polish as a foreign language and her research area encompasses security matters and interoperability, including linguistic interoperability.

Mrs. Agata Jagiello-Tondera is the author of the *Language-Security-Technology* project, a series of international scientific conferences for cadets and lecturers. As the scientific tutor of the Linguistic Student Association at WAT, she has organised seminars and webinars with international experts dealing with security.

I am deeply convinced that the commitment and creativity of Mrs. Agata Jagiello-Tondera will be a valuable contribution to the current and future projects of the EMILYO initiative. The Military University of Technology will support financially her duties as the Chairperson of the LoD 9 to participate in IG meetings.

Yours Sincerely,

**Rector-Commandant
Military University of Technology**

Brig. Gen. Prof. Przemyslaw Wachulak DSc, PhD, Eng.

Colonel Harald GELL
Chair of the Implementation Group of EMILYO

Dear Colonel,

Nomination of the Chairperson of the Line of Development 14 on Research and Development (LoD-14)

Once again, please accept my sincere appreciation for your dedication and the considerable efforts you have invested in enhancing the exchange of cadets and staff among the military academies across Europe. Your commitment has greatly strengthened our international community and fostered invaluable opportunities for collaboration.

In this regard, I would like to present Lieutenant Colonel (OF-4) David LECOMPTE, Head of the Department of Structural & Blast Engineering and Professor in Blast Engineering at the Royal Military Academy (RMA) in Brussels, for the position of Chairperson of LoD-14 on Research and Development. His commitment to Research and Development is well represented by his many publications and citations, having one of the highest scientific outputs of our institution.

LTC LECOMPTE has been a strong advocate for internationalisation of scientific research and has contributed to many international research networks. His expertise and leadership would undoubtedly be a great asset to the LoD.

Lastly, please rest assured that the Royal Military Academy will fully support the necessary financial provisions to facilitate LTC LECOMPTE participation in IG meetings.
