FIGHTING IN BUILT-UP AREA (FIBUA) COMMON MODULE ASSESSMENT

GENERAL INFORMATION

2-WEEK COURSE

3 ECTS

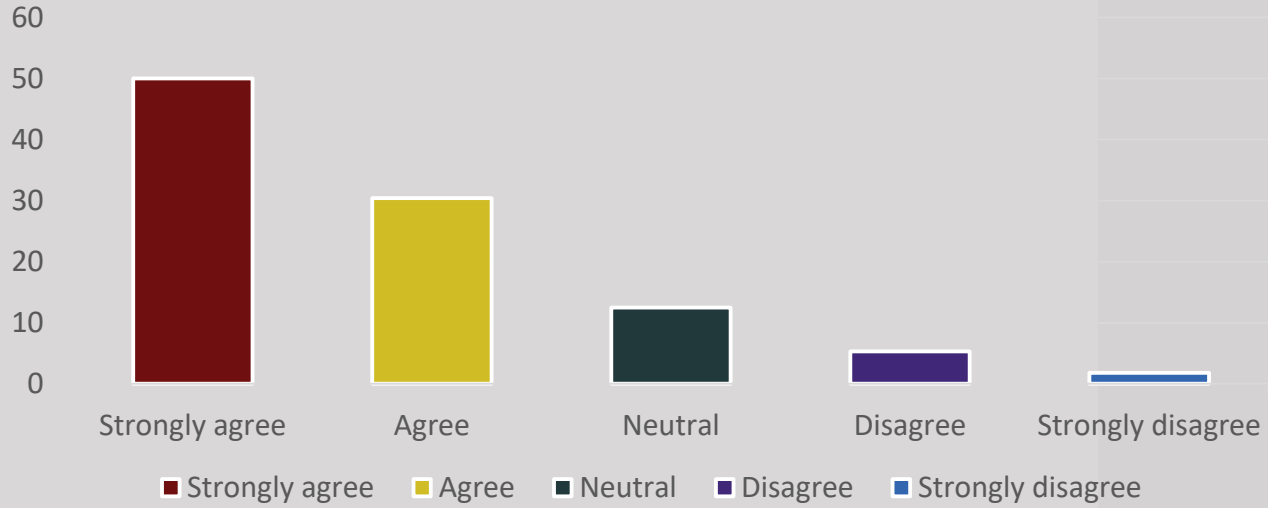

67 PARTICIPANTS

17 INTERNATIONAL CADETS

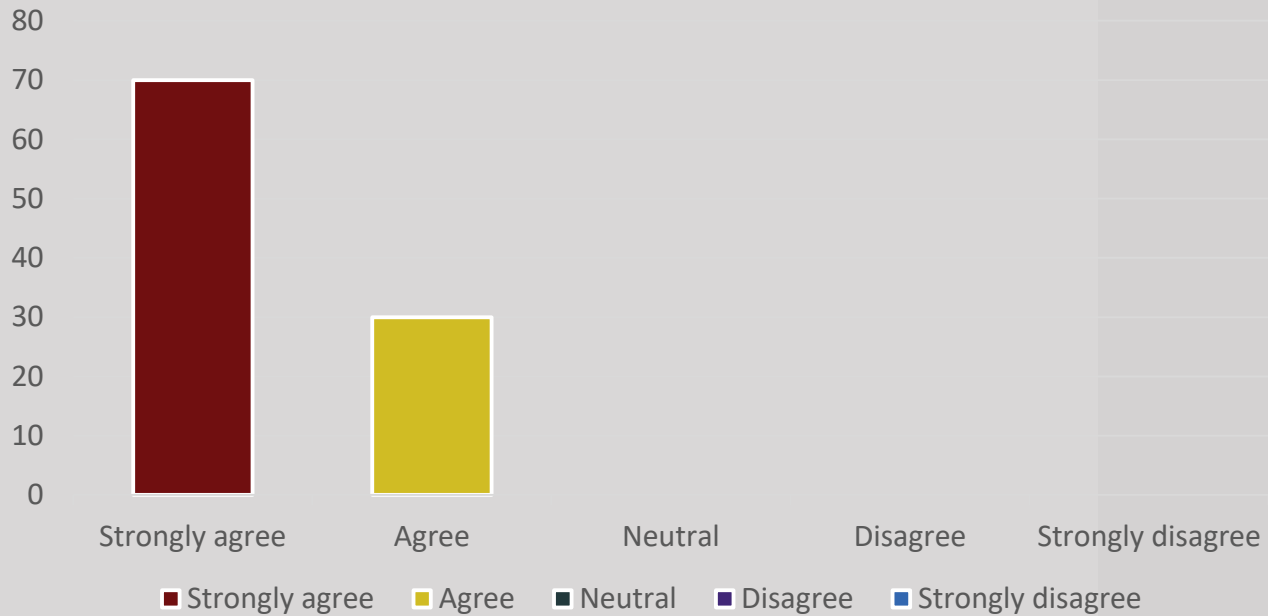

50 LATVIAN CADETS

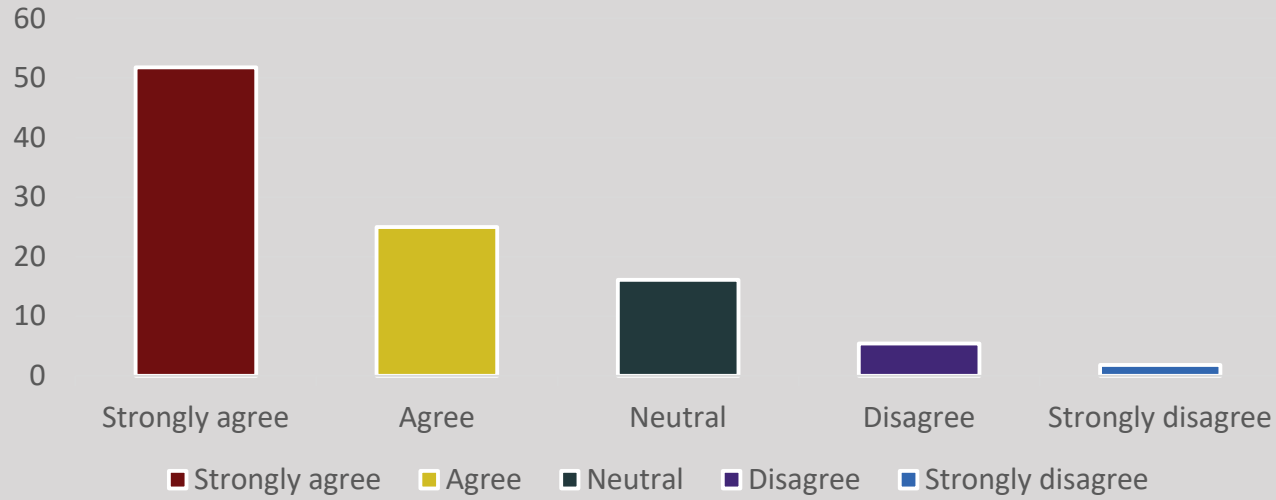

The Fighting in Built-Up Area (FIBUA) module has enhanced my understanding of planning and executing of FIBUA at the platoon level

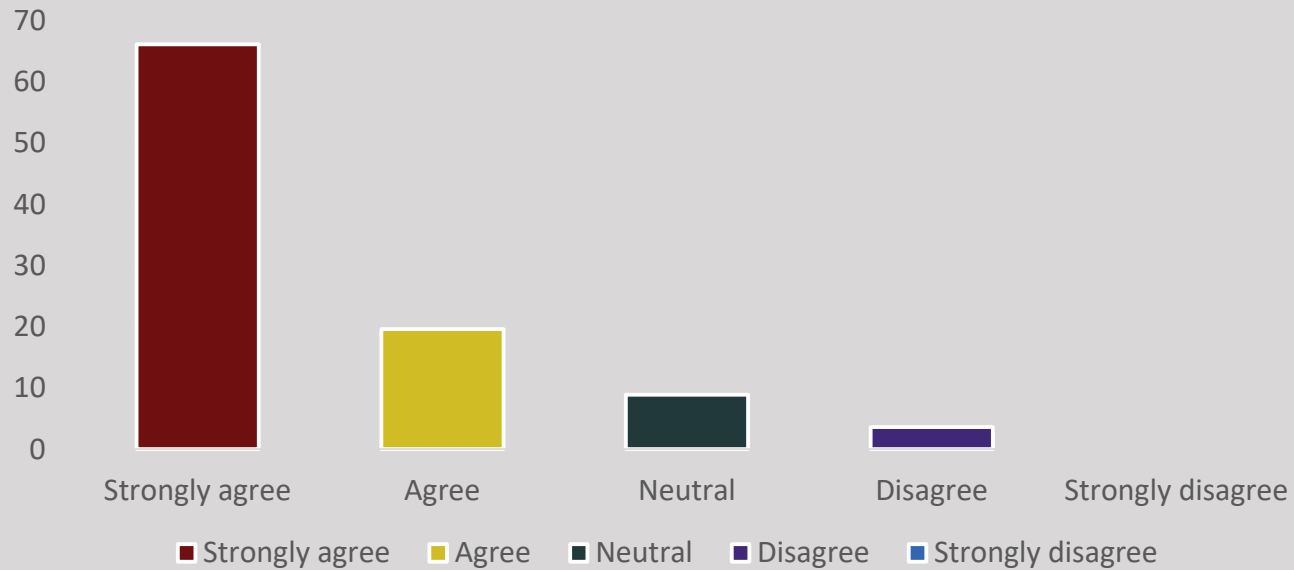

I would recommend Fighting in Built-Up Area module to others

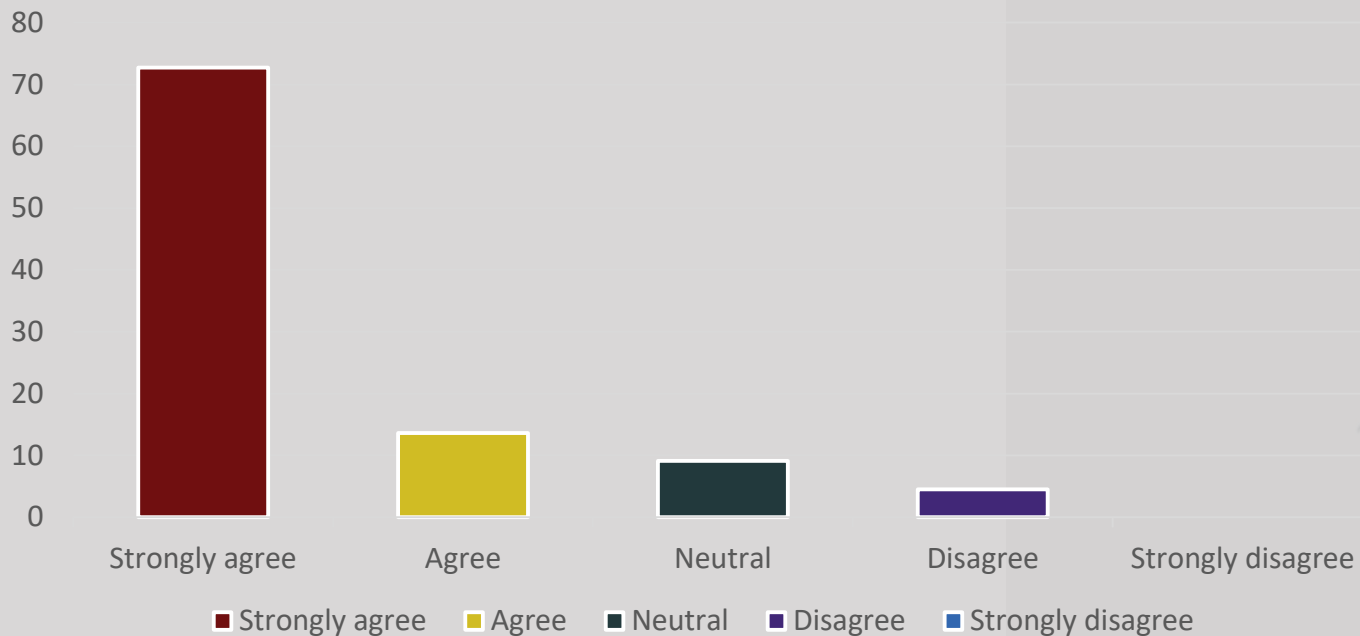

The instructors' proficiency in English was adequate, and I was able to understand the lectures

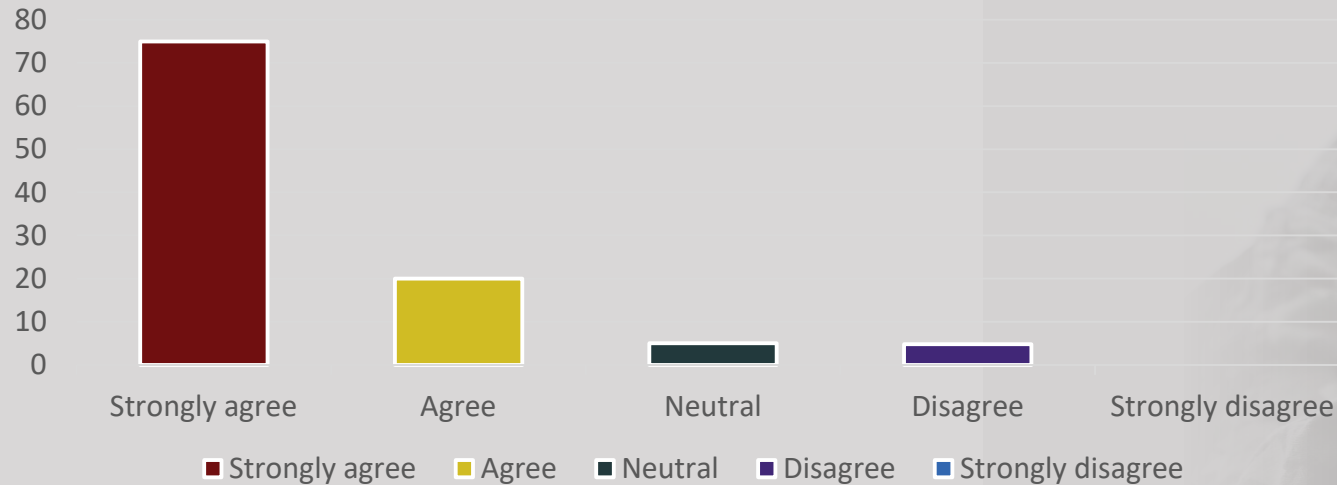

The instructors provided me with the necessary support to successfully complete the tasks

The arrangements for accommodation and meals were well coordinated

The informative and cultural programme provided with an opportunity to strengthen cultural connections with peers from different countries
